

Do Ya

ASTN

Just tell me what to say
What can I do to make you stay, yeah
Am I out, ooh
How can I make you stick around
Hold it down, ooh
Showed up too late
I guess it's over now

Am I taped to you, oh
Or am I left in the back of your mind
Do you still think about me
When you lie back and close your eyes

And do ya, do ya, do ya, oh
Think about me
Do ya, do ya, do ya

Just tell me what to do
This feeling ain't nothin' new, oh-oh
Are you out, ooh
What did I do to pull you down
I'll write about you
And hope one day that you'll come around

Am I taped to you, oh
Or am I left in the back of your mind
Do you still think about me
When you lie back and close your eyes

And do ya, do ya, do ya, oh
Think about me
Do ya, do ya, do ya

It's like this thing has no meaning
I've been meanin' to tell you
Girl it sucks we ain't speakin'
Whoa-oh-oh
And who's that guy you've been seein'
Is he one for the journey
Or is he one for the weekend
Whoa-oh-oh
Second guessin' myself, eh
Glad to see you're doin' well, eh
But baby if you can't tell, eh eh
Life without is he-e-ell
So baby won't you tell me now

Do ya, do ya, do ya, oh
Think about me
Do ya, do ya, do ya
Do ya, do ya, do ya, oh
Think about me
Do ya, do ya, do ya

Do ya, do ya, do ya, oh
Think about me
Do ya, do ya, do ya
