

Issue

ASTN

Let's be realistic
I'm the only one tryna make it work
And every time I try to fix it
You find a way to make it worse

You got me questioning
Everything about us
You got me questioning

Why do they call it accountability
When I got no ability to count on you?
And why do they say it's all about being honest
When honestly I've never seen you tell the truth
I've learned and I've loved
Girl you've taught me so much
Now I know why they call it a issue
'Cause baby it's not me, baby it's not me, it's you

It's not me, it's not me
It's not me, baby it's not me, it's you

It's funny how you call me selfish
When all I ever did was put you first
Spent six months tryna find a way to say it
Thank God I finally found the words

Oh you've got me questioning everything about us
Yeah yeah yeah yeah yeah
I'm questioning

Why do they call it accountability
When I got no ability to count on you?
And why do they say it's all about being honest
When honestly I've never seen you tell the truth
I've learned and I've loved
Girl you've taught me so much
Now I know why they call it a issue
'Cause baby it's not me, baby it's not me, it's you

It's not me, it's not me
It's not me, baby it's not me, it's you
It's not me, it's not me
It's not me, baby it's not me, it's you
