

Keep It Real

ASTN

I don't want no temporary give me all or nothing
I'ma keep it real with you and give you all my loving
Girl let's tell the truth it's been a year and I'm still crushing
Girl let's take a ride and keep it quiet - no discussing
We can take it slow nowhere to go - no need to rush in
I'ma be the one to hold you down, someone to trust in
If you need me, I'ma be around to keep you buzzing
I'ma keep it real with you, yeah...

Yeah
That's just how I feel
(That's just how I feel)
Get this off my chest now
I'ma keep it real
Never let you down
Baby girl I know
You've been through too much
I won't leave you alone

Cuz when I hold you, I'll be your shoulder
When you need me I will be your soldier
When I hold you I'll be your shoulder
When you need me I won't let you down, yea

I don't want no temporary - give me all or nothing
I'ma keep it real with you and give you all my loving
Girl let's tell the truth it's been a year and I'm still crushing
Girl let's take a ride and keep it quiet - no discussing
We can take it slow nowhere to go, no need to rush in
I'ma be the one to hold you down, someone to trust in
If you need me I'ma be around to keep you buzzing
I'ma keep it real with you, yeah...

Lock you down
When you come around
I can't go without
Seeing you
Feeling you
Lock me down
When I come around
I can't go without
Seeing you
Feeling you

I don't want no temporary give me all or nothing
I'ma keep it real with you and give you all my loving
Girl let's tell the truth it's been a year and I'm still crushing
Girl let's take a ride and keep it quiet, no discussing
We can take it slow nowhere to go, no need to rush in
I'ma be the one to hold you down, someone to trust in
If you need me I'ma be around to keep you buzzing
I'ma keep it real with you (yeah)

Give you one hundred (one hundred)
You wanted a a month and you got it
Baby you done it (you done it)
My heart ain't a prize but you won it

(They just don't compare to you...)
