

## next door

ASTN

I was looking outside  
When she caught my eye  
A pretty thing moving things  
In the house right next to mine  
Wonder what it's like  
To be next to you  
Oh are you busy tonight  
Can I give you a hand with the move

Wonder if I'm her type  
Know that it's her first night  
Wanna play it cool but I  
Can't wait too long  
Crop top with your green eyes  
What's under those levis  
We ain't gotta sleep tonight  
If that's what you want

Ooh I think that I  
I'm in love I'm in love I'm in love  
With the girl next door  
Never been so in love with a girl like this before  
She's got no idea how I'm really feeling

I'm in love I'm in love I'm in love  
With the girl next door  
With the girl next door  
With the girl next door

I'm in love I'm in love I'm in love  
With the girl next door  
With the girl next door  
With the girl next door

Oh I'm in love I'm in love I'm in love  
With the girl next door

I was just outside  
When I saw this guy  
6'3 white tee with the Nikes  
Ooh he's just my type  
Boy won't you just come on over  
Both of your hands on my shoulders  
Put on the TV  
Act like we watching  
Nobodys watching  
You can come closer  
Skip all the talking (yeah)

I can see you staring through the window  
We should go ahead and skip the intro  
We can start it slow and see where things go  
I might be going crazy cause I think I

I'm in love I'm in love I'm in love  
With the boy next door  
Never been so in love with a boy like this before

He's got no idea how I'm really feeling

I'm in love I'm in love I'm in love  
With the boy next door  
With the boy next door  
With the boy next door

I'm in love I'm in love I'm in love  
With the boy next door  
With the boy next door  
With the boy next door

I'm in love I'm in love I'm in love  
With the boy next door

I can see you staring through the window  
Can we go ahead and skip the intro  
Cut the tension with a knife  
Know want to take a bite  
Take it slow and see where things go

I'm in love I'm in love I'm in love  
With the girl next door  
Boy next door  
With the girl next door

I'm in love I'm in love I'm in love  
With the boy next door  
With the girl next door  
With the boy next door
