

Ready

ASTN

You don't deserve my time forget it
You'd rather break my heart, forget it (my heart, baby)
You never loved me girl, admit it
Cause you not ready, like I'm ready (like I'm ready)
You had me out here looking stupid (out here)
You know exactly what you're doing (oh, baby)
You wanna break my heart, then do it (just do it)
Cause you not ready, like I'm ready (like I'm ready)

Wanna make excuses, do that with somebody else
Wanna play the victim, but you did this to yourself
I thought you were ready, yeah
We broke the levee, yeah (that's all it could take)

I really hate to put you in this position
But you won't ever learn any different
Know when you hear this, I'm expecting you to call any minute
Like, boy are you kidding?
But I made my decision

You don't deserve my time forget it
You'd rather break my heart, forget it (my heart, baby)
You never loved me girl, admit it
Cause you not ready, like I'm ready (like I'm ready)
You had me out here looking stupid (out here)
You know exactly what you're doing (oh, baby)
You wanna break my heart, then do it (just do it)
Cause you not ready, like I'm ready (like I'm ready)

But I put in time to walk that line you created
And I really tried, but you were trying my patience
Baby you were-
Mine, I never minded the waiting
But all the playing was so frustrating

(God, you know) I really hate to put you in this position
But you won't ever learn any different
Know when you hear this, I'm expecting you to call any minute
Like, boy are you kidding?
But I made my decision

You don't deserve my time forget it (my time)
You'd rather break my heart, forget it
You never loved me girl, admit it
Cause you not ready, like I'm ready (like I'm ready)
You had me out here looking stupid (out here)
You know exactly what you're doing (oh, baby)
You wanna break my heart, then do it (just do it)
Cause you not ready, like I'm ready (like I'm ready)

Girl, you ain't ready, oh
Oh, oh, oh, oh, oh, oh, oh, oh, oh
