

# One Night In Paris

Aston Merrygold

Jour férié de tour? Yeah  
Comme on toi et moi? Moi

I can eat you up with no spoon  
Like breakfast in the morning  
Hot biscuits in the oven, oh my  
Like a pill, I'm sweating, tripping on you  
My hands up like it's Sunday  
Good God, almighty, hallelujah, praise your body  
That girl, good money and you know let it moolah-lah-lah  
You, me, we, we friends kissing like ooh la-la-la  
Voulez vous coucher? 'Cause I do  
You know just what that means  
Like this foreign exchange, oh my

Let's rendez-vous  
Sex with me is like one night in Paris  
One night in Paris for two  
Ooh ooh, Paris  
Ooh, sex with

With all this sexy dripping on you  
Loving will get you wet, you melting in that dress tonight  
Legs so long, I'm climbing for miles  
Just like the Eiffel Tower  
I'm putting in that work, I'm clocking in those hours  
From the ceiling to the floor like Kama Sutra-tra-tra  
Got a hand on my trigger  
Girl, it's shoots out-ta-ta

Ooh, let's rendez-vous  
Sex with me is like one night in Paris  
One night in Paris for two  
Let's make that move  
Sex with me is like one night in Paris  
One night in Paris for two

Oh, Oh, Paris  
Oh, Oh, sex with  
Oh, Oh, Paris  
Oh, Oh, sex with

Ooh, let's rendez-vous  
Let's rendez-vous, babe  
Sex with me is like one night in Paris  
One night in Paris for two  
Let's make that move  
Sex with me is like one night in Paris  
One night in Paris for two  
Ooh, let's rendezvous  
Sex with me is like one night in Paris  
One night in Paris for two  
Let's make that move  
Sex with me is like one night in Paris  
One night in Paris for two
