

# Airpods

Astrid S

She walks home with the Airpods on  
With the same song stuck on repeat  
Hoodie pulled up over her eyes  
'Cause she's not in the mood to speak  
She got dumped, thought he was the one  
Didn't mean to fall so deep  
She walks home with the Airpods on  
With the same song stuck on repeat  
Singin'

Hmm, hmm, hmm, hmm, hmm  
Hmm, hmm, hmm, hmm  
Hmm, hmm-hmm, hmm, hmm, hmm, hmm  
Hmm, hmm, hmm, hmm, hmm  
Hmm, hmm, hmm, hmm  
Hmm, hmm-hmm, hmm, hmm, hmm, hmm

Dum-ditty, dum-dum, ditty-dum-dum  
Ditty-dum, ditty-ditty, dum-dum  
Dum-ditty, dum-dum, ditty-dum-dum  
Ditty-dum, ditty-ditty, dum-dum

She's out with the same old crowd  
Too young getting into the club  
No money with the fake ID  
Pretending that she's someone  
She wastes time when she stands in line  
'Cause she know she knows she'll never get in  
She's out with the same old crowd  
Puts her Airpods in and  
Sing

Hmm, hmm, hmm, hmm, hmm  
Hmm, hmm, hmm, hmm  
Hmm, hmm-hmm, hmm, hmm, hmm, hmm  
Hmm, hmm, hmm, hmm, hmm  
Hmm, hmm, hmm, hmm  
Hmm, hmm-hmm, hmm, hmm, hmm, hmm

Dum-ditty, dum-dum, ditty-dum-dum

It feels like Novocaine  
When the music starts to play  
Yeah, he numbs her brain  
Dum-ditty, dum-dum, ditty-dum-dum  
It feels like Novocaine  
When the music starts to play  
Yeah, he numbs her brain
