

# Come First

Astrid S

I've been sitting pretty in the passenger seat  
So, no one gets offended  
I've been getting bitter always tryna be sweet  
When I was just pretending

I don't wanna compromise  
I'm not letting you get in my  
Way way way

I don't wanna apologize  
Gonna take my time you gotta  
Wait wait wait

I don't care if your ego gets hurt  
Baby you should know I - I come first  
I don't care if I get on your nerves  
Baby you should know I - I come first

I come  
I come  
I come first  
I come  
I come  
I come first

Know I said that I should think before I talk  
But I'm just gonna say it (I, I, I)  
I'd be good for millions if I got a dollar for  
Every time I faked it (I, I, I, I)

I don't wanna compromise  
I'm not letting you get in my  
Way way way

I don't wanna apologize  
Gonna take my time you gotta  
Wait, wait, wait

I don't care if your ego gets hurt  
Baby you should know I - I come first  
I don't care if I get on your nerves  
Baby you should know I - I come first

I come  
I come  
I come first  
I come  
I come  
I come first  
I come  
I come  
I come first  
I come  
I come  
I come first

Need you to impress me

Interest me  
Give me more than just words

No, I can't help it  
Call me selfish  
But I - I come first
