

# Doing to Me

Astrid S

Get my hopes up  
Too high  
I let my guard down  
Like you're mine  
Just get it over with  
Let me go  
When you're about to say it  
That's when you don't

Oh, I'd rather have little than nothing

You got me hanging on the line  
But you won't set me free  
Never close enough to touch  
Baby I love what you're doing to me  
What you're doing to me

We haven't talked since  
You said you need time  
But do you ever think  
What that feels like  
I wish you wanted me  
As much as I want you  
I'd take a bullet, burn the bridges  
And all the things you'd never do

Oh, still I'd have a little than nothing

You got me hanging on the line  
But you won't set me free  
Never close enough to touch  
Baby I love what you're doing to me  
Sometimes you pick me up  
Sometimes you leave me weak  
But I'll take what I can get  
Cause baby I love what you're doing to me  
What you're doing to me, oh  
What you're doing to me, oh

They say it's time to give you up  
It's time for me to leave  
But I'll never get enough  
Cause baby I love what you're doing to me

You got me hanging on the line  
But you won't set me free  
Never close enough to touch  
Baby I love what you're doing to me  
Sometimes you pick me up  
Sometimes you leave me weak  
But I'll take what I can get  
Cause baby I love what you're doing to me  
What you're doing to me
