

# Howdy

Astrid S

Supposed to take at least 6 months  
To heal the heart you take back from someone  
So how'd it only take you two  
To move on like I meant nothing to you?

I don't miss you so I don't know why  
I just can't sleep tonight  
Our kinda lightning's hard to find  
And it don't strike twice  
Always gonna be your best mistake  
Keep all the love I gave  
Help me push this thought away

How do you  
How do you  
How do you  
Lose somebody like me?

How do you  
How do you  
How do you  
Make it look so easy?

Let me go  
Let me down  
When we got so close  
Tell me now

How do you  
How do you  
How do you?

I thought that you'd put up a fight  
But you were gone before the tears had dried  
And, baby, that's what hurts the most  
My door was open and you let it close

I don't miss you so I don't know why  
I just can't sleep tonight  
Our kinda lightning's hard to find  
And it don't strike twice  
Always gonna be your best mistake  
Keep all the love I gave  
Help me push this thought away

How do you  
How do you  
How do you  
Lose somebody like me?

How do you  
How do you  
How do you  
Make it look so easy?

Let me go  
Let me down

When we got so close  
Tell me now

How do you  
How do you  
How do you?

What do you  
What do you  
What do you  
Do to forget me?

How do you  
How do you  
How do you  
Live with all the memories?

Let me go  
Let me down  
When we got so close  
Tell me now

How do you  
How do you  
How do you?
