

Marilyn Monroe

Astrid S

If I sing something you don't like
Am I the problem?
'Cause I think I've been holding back
It's not what I wanna

If I show a little bit more skin
Already know what you're gonna think
Don't tell me what I'm gonna do, what I don't
I will decide what I will, what I won't
Is it like Marilyn Monroe
If I wanna do it on my own?
Don't tell me what I'm gonna do, what I don't
I'm gonna do it the way I want

You do you, you don't do me
You do you, you don't do me

If I slept with a hundred guys
You'd think it's a crime
The less I wear, the more you criticise
I'm just a thing, ain't I?

My lips are a little bit more red
But that doesn't take away what's said
Don't tell me what I'm gonna do, what I don't
I will decide what I will, what I won't
Is it like Marilyn Monroe
If I wanna do it on my own?
Don't tell me what I'm gonna do, what I don't
I'm gonna do it the way I want

You do you, you don't do me
You do you, you don't do me

I've got some things to say
It's easy to explain
I don't need permission to be who I wanna be
I've got some things to say
It's easy to explain
Hmmm, you do you, you don't do me

You do you, you don't do me
You do you, you don't do me
You do you, you don't do me
