

Obsessed

Astrid S

I'm starting to think I'm a psychopath
I just don't know why I keep on lying
They think I haven't seen you since October
When everyday I've told you to come over
I just googled if I'm a psychopath and
Think I'm starting to believe that I am
I don't feel guilty about the things we do
When I'm with you

Don't trust myself, 'cause I know
You'll find a way into my head
Tried to quit but I just can't help myself
'Cause I'm obsessed with you
Don't trust myself, 'cause I know
You'll find a way into my head
Tried to quit but I just can't help myself
'Cause I'm obsessed with you

I'm starting to think I'm a psychopath
I'm smiling with a knife behind my back
And maybe sometimes I'm a narcissist, but
If looks would kill, I'd get away with it
Bite my tongue while I try to numb the pain
Know it's wrong but I do it anyway
I can't help myself
And I don't know how much more I can take

Don't trust myself, 'cause I know
You'll find a way into my head
Tried to quit but I just can't help myself
'Cause I'm obsessed with you
Don't trust myself, 'cause I know
You'll find a way into my head
Tried to quit but I just can't help myself
'Cause I'm obsessed with you
I'm starting to think I'm a psychopath

Bite my tongue while I try to numb the pain
Know it's wrong but I do it anyway
I can't help myself
And I don't know how much more I can take

Don't trust myself, 'cause I know
You'll find a way into my head
Tried to quit but I just can't help myself
'Cause I'm obsessed with you
Don't trust myself, 'cause I know
You find a way into my head
Tried to quit but I just can't help myself
'Cause I'm obsessed with you
