

## All That's Left Is To Say Goodbye

Astrud Gilberto

There's no use to pretend  
We have come to the end  
All that's left is to say goodbye

If I hold you with lies  
It will show in my eyes  
All that's left is to say goodbye

So when you go I won't stop you  
But I will remember  
How deep, how beautiful it was  
And all this beauty of love that was our loss  
And now leaves me sad  
I don't want to deny, don't want to betray  
Don't want to forget  
Because my love, in my life you have been  
Like a day full of sun

So when you go I won't stop you  
But I will remember  
How deep, how beautiful it was  
And all this beauty of love that was our loss  
And now leaves me sad  
I don't want to deny, don't want to betray  
Don't want to forget  
Because my love, in my life you have been  
Like a day full of sun
