

Beginnings

Astrud Gilberto

When I'm with you
It doesn't matter where we are
Or what we're doing
I'm with you, that's all that matters

Time passes much too quickly
When we're together laughing
I wish I could sing it to you, oh no
I wish I could sing it to you

Mostly I'm silent, silent
Never think of the right words to say
When I kiss you, I feel a thousand different feelings
The color of chills all over my body

And when I feel them
I quickly try to decide which one
I should try to put into words, oh no
Try to put into words

Mostly I'm silent, silent
Silent
Only the beginning of what I want to feel forever, yeah, no no
no
Yes, only the beginning of what I want to feel forever
Only the beginning, only just the start
I've got to get you into my life mama
Got to get you next to me
Only the beginning, only just the start

Only the beginning, only the beginning
Only the beginning, only the beginning
Only the beginning, only the beginning . . .
