

## Didn't We

Astrud Gilberto

Not to fall and break my heart

This time we almost made the pieces fit, didn't we?  
This time we almost made some sense of it, didn't we?

This time I held the answer right here in my hand  
Then I touched it, and it had turned to sand

This time we almost sang our song in tune, didn't we?  
This time we almost made it to the moon, didn't we?  
This time, we almost made our poems rhyme  
And this time we almost made that long hard climb  
Didn't we almost make it this time
