

## Dreamy

**Astrud Gilberto**

Dreamy, got your head up in the cloud  
Walking only in the crowd, is it anyone I know?

Dreamy, can't explain the reason why  
There's a new book in your eye, is it anyone I know?

Dreamy, tell me who's the lucky girl  
Lighting up your secret world  
Is it anyone I know?

Dreamy, open up your heart, see me  
Love me, make my life dreamy too

Dreamy, open up your heart, see me  
Love me, make my life dreamy too
