Light My Fire

Astrud Gilberto

You know that it would be untrue You know that I would be a liar If I was to say to you And we couldn't get much higher Come on baby, light my fire Come on baby, light my fire Try to set the night on fire

The time to hesitate is through No time to wallow in the mire Try, we can only lose Our love become a funeral pyre Come on baby, light my fire Come on baby, light my fire Try to set the night on fire

The time to hesitate is through No time to wallow in the mire Try, we can only lose Our love become a funeral pyre Come on baby, light my fire Come on baby, light my fire Come on baby, light my fire Light my fire Light my fire
