

Love Is Stronger Far Than We

Astrud Gilberto

Avec notre passé pour guide
On se devrait d'être lucide
Mais notre méfiance est à bout
L'amour est bien plus fort que nous

When we are close, the world is singin'
And when we touch, the moonlight is wingin'
And there's no way to disagree
For love is stronger far than we

When hearts are meant for caring
And lives are meant for sharing
Then we are joined by destiny
For love is stronger far than we

So, we may say another season
May say goodbye and find the reason
But love decides how things must be
For love is stronger far than we
Love is stronger far than we
