

## Oba, Oba

Astrud Gilberto

Oba, oba, would you like an orange moon  
Or a diamond studded jar  
Or a polka dot balloon  
Oba, oba, would you like a purple sea  
Or a sky with candy stripes  
Or a watermelon tree  
Oba, oba, I can get those things for you  
But you may feel that a simple kiss  
Will more than do  
Oba, oba, would you like a platinum dove  
Or a satin ocean wave  
Or do you just want my love  
Oba, oba, would you like a purple sea  
Or a sky with candy stripes  
Or a watermelon tree  
Oba, oba, I can get those things for you  
But you may feel that a simple kiss  
Will more than do  
Oba, oba, would you like a platinum dove  
Or a satin ocean wave  
Or do you just want my love
