

Trains And Boats And Planes

Astrud Gilberto

Trains and boats and planes are passing by
They mean a trip to Paris or Rome
To someone else but not for me
The trains and boats and planes
Took you away, away from me

We were so in love, and high above
We had a star to wish upon
Wish and dreams come true, but not for me
The trains and boats and planes
Took you away, away from me

You are from another part of the world
You had to go for awhile and then
You said you soon would return again
I'm waiting here like I promised to
I'm waiting here, but where are you

Trains and boats and planes took you away
But ev'ry time I see them I pray
And if my prayers can cross the sea
The trains and the boats and planes
Will bring you back, back home to me
