

Wanting You

Astrud Gilberto

Floating in time and space
Where am I going to
Carried off on a way both
Wanting you

Picturing your sweet face
Remembering what to do
Getting lost in a face off
Wanting you

You are the one who comes in to my mind
When I'm feeling the need for a touch
You are the one that I'm hoping to find by my side
Oh, I love you so much

And if you ever go
I guess I'll get someone new
But it won't stop me wanting
Wanting you

Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na

You are the one who comes into my mind
When I'm feeling the need for a touch
You are the one that I'm hoping to find by my side
Oh, I love you so much

Wanting is where I am
Wanting is what I do
I could spend up forever
Wanting you

I could spend up forever
Wanting you
