

## Wish Me A Rainbow

Astrud Gilberto

Wish me a rainbow and wish me a star. All this you can give me  
wherever you are  
And dreams for my pillow and stars for my eyes  
And the masquerade ball where our love wins first prize  
Wish me red roses and yellow balloons and carousels whirling to  
gay dancing tunes  
I want all these treasures the most you can give so wish me rainbow  
as long as I live  
All my tomorrows depend on your love so wish me a rainbow above  
[ strings ]  
All my tomorrows depend on your love so wish me a rainbow above
