

Wish Me A Rainbow

Astrud Gilberto

Wish me a rainbow and wish me a star. All this you can give me
wherever you are
And dreams for my pillow and stars for my eyes
And the masquerade ball where our love wins first prize
Wish me red roses and yellow balloons and carousels whirling to
gay dancing tunes
I want all these treasures the most you can give so wish me rainbow as long as I live
All my tomorrows depend on your love so wish me a rainbow above
[strings]
All my tomorrows depend on your love so wish me a rainbow above
