

I don't want you I want yo friend  
And I don't want a bugie I want a new bens  
This ain't nothing it's a few bands  
You can catch me anywhere on ya newsstand  
I'm the shit now baby hush little baby  
Fill my cup wanna get drunk little baby  
I know you just wanna love little baby  
But honestly I just wanna fuck little baby  
I'm toxic I can't hide it  
Fun night next I'll rewind it  
Maybe I should just slow down  
But fuck it man I'm on go now  
So fill my cup till it pour out  
Don't be shy baby hoe out  
I'm up now gotta show out  
I'm the one that they should know now

Tell me what you wanna see  
Tell me what you want from me  
Tell me if you wanna be my baby  
My baby

I'm an addict please don't remind me  
Shawty want some love but can't find me  
Bonfire my heart why don't you light it  
I'm an asshole sorry can't hide it  
Like oh no no  
There's a photo to to  
I see cocaine yeah on your nose nose nose  
Don't tell me you will  
Don't tell me you won't  
Cause u know I'll kill  
Please don't fold fold

Tell me what you wanna see  
Tell me what you want from me  
Tell me if you wanna be my baby  
My baby
