Yeah yeah, okay yeah  
Shout out to the ones in the club  
Shout out to the ones that show no love  
Shout out to the ones that hold it down  
Shout out to the ones that get around  
Shout out to the girl that's in the front seat  
Tryna get her hands all over on me  
Baby not a issue, you can misuse  
Everything that's on me

Okay 'cause baby, baby, baby, I like the way you party  
I know, I know, I know that I'm not good at sorries  
One day, one day we'll have a mansion, drive Ferraris  
But until then baby you could be my broken Barbie  
Baby, baby, baby, I like the way you party  
I know, I know, I know that you're not good at sorries  
One day, one day we'll have a mansion, drive Ferraris  
But until then baby I could be your broken Barbie

We could travel the world, yeah  
Tell me, where do you wanna go?  
Buy you diamonds and pearls, yeah  
Whatever you want girl  
We could chill all day  
Ride around and just take it slow  
Take me to LA  
And I'll be at all your shows

I don't find love from taking these drugs  
Don't find love inside this cup  
Don't find love from hooking up  
But I bet I will if you show up babe  
In a world of plastic baby you're so real  
Fashion baby with looks that kill  
I could tell you got that appeal  
That makes me jump straight behind the wheel

Like baby, baby, baby, I like the way you party  
I know, I know, I know that I'm not good at sorries  
One day, one day we'll have a mansion, drive Ferraris  
But until then baby you could be my broken Barbie  
Baby, baby, baby, I like the way you party

I can be your biggest fan  
Baby won't you take my hand?

I'm your girl and you're my man  
I'm your Barbie, you're my Ken  
Ooh whoa, ooh whoa, ooh whoa  
Ooh whoa, ooh whoa, ooh whoa  
Ooh whoa, ooh whoa, ooh whoa  
Ooh whoa, ooh whoa, ooh whoa
