

Ay

Li'l shawty gon' get it, the way she back that ass up
Every day pay day, so I gotta act up (yeah)
Everybody lookin' but shawty she goin' for me
Tryna fuck with me, 'cause I'm a real and you a phony
Got a real bitch that I lef' back in Texas
Like Blueface, man, she gon' respec' it
Too much to offer to just waste my time
If you been 'bout it, pull up and be mine

Like

I know, I know you like me too
After the club shawty will still move
Back to my place so that we can go do
Dance with me, baby, catch this groove
Ya sabes que yo no te puedo esperar
Si quieres, si quieres, te puedo ganar

Un, dos, tres, cuatro

Me gustan todas, de todos sabores (Todos sabores)
El lado frío dame más tu calor (Más tu calor)
El lado dulce al sentir tu amor (Sentir tu amor)
Del pica-pica con los polvos veloz
