Risin' up, back on the street
Did my time, took my chances
Went the distance,
now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast You change your passion for glory Don't lose your grip on the dreams of the past You must fight just to keep them alive

It's the eye of the tiger, it's the cream of the fight
Risin' up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Face to face, out in the heat Hangin' tough, stayin' hungry They stack the odds 'til we take to the street For we kill with the skill to survive

It's the eye of the tiger, it's the cream of the fight
Risin' up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Risin' up, straight to the top
Have the guts, got the glory
Went the distance,
now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger,
it's the cream of the fight
Risin' up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watchin' us all in the eye of the tiger
