

4 For 4\$

At Wendys

4 for \$4, that lick the best, 4 for \$4, forget the rest
4 for \$4, you gettin' blessed
4 for \$4, that lick the best, 4 for \$4, forget the rest
4 for \$4, you gettin' blessed

Uh, yeah, you can pull up and come get that
It's versatile, dinner meals or even quick snacks
The best you ever had, that there is just big facts
The competition tired like they just sprinted six laps
For 16 quarters come with four items, you can get that
A fries, burger, nuggets and a drink come with that
The sauces is drippin', if you willin' then you can dip that
Queen Wendy the illest, yeah I said it, boy don't forget that

4 for \$4, that lick the best, 4 for \$4, forget the rest
4 for \$4, you gettin' blessed

Now everybody knows, blows get thrown in elevators
But what can happen when you mix Twitter with hella haters
They super salty, throwin' shade but it will never fade us
How could you blame us? First Lady, so Wendy's seein' paper
They dig the flavor, our food is better, we serve it greater
Fast food's savior, serve it hot, like I was an A-1 waiter
We kickin' flavor, we don't compare, how could you dare?
Man, see you later, Wendy

4 for \$4, that lick the best, 4 for \$4, forget the rest
4 for \$4, you gettin' blessed
