## Atari Teenage Riot

RAGE!!!

RAGE!!!!

We're down with the riot sounds

rage you gonna make me rage you gonna make me rage!

another record banned, slammed and shut down by the damned morals of society those without a chance being kept down on their knees and I ask you: How much more don't you want to see?

rage we turn the heat up!

58 had to die immigration was too high but everyone ignores where the real guilt lies our governments are fucking murderers

don't you want to see?

rage

GO! You want to make me RAGE!

60 Second Wipe Out here we come corporations drown in blood a flood in the streets of hollywood don't take it back - you know you shouldn't

RAGE! You make me want to! RAGE! Psycho!

the blood is rising, boiling in my head lights are flashing - I want to be dead but my eyes are burning like a canon ball and you see me standing there ...my guns in the booth...

RAGE! You're going to make me....RAGE! We turn up the heat! COME ON!
