1. The sea has many colors profoundly red as wine
Am B F Am B
The skies they bleed with fleeting passion tonight

R1: Come sweet euphoria Your light is blinding to me
F C
You feel as comforting as a mother's warm embrace
Dm B
But still you're just as lonely as the sea

2. We gaze out upon the crashing waves
From this hillside graveyard masquerade

R2: Sweet terrible angel Embrace my soul with light
Is it honesty that sunk my lungs and is dying to get out
But still I'm helpless as an orphaned child
