The Ataris

**B**

**B**

1. In silence, I like to think out loud

**E**

you say this is the end I know it's not the end

**B**

I took a picture of heaven when we broke down

**E**

across the shining light I never will forget

**C#m**

**E**

the color of last night over us

**B**

R: We missed the point in living so caught up in this moment

**F#**

we threw out all convictions and traded them for substance

**C#m**

**E**

**B**

this life you hold so near will fade in time...

**E**

2. And so it goes no we won't let go

**B**

if you are alive then be truly alive

**E**

just open up your eyes pay attention to the signs

**F#**

**E**

the color of the sky in this night

R: We missed the point in living...

**C#m**

**E**

**C#m**

This life you hold so near will fade in time...

**E**

\*: Time spend wasted on a lie

**B**

**F#**

it's time you found some frame of mind

**C#m**

**E**

**B(hold)**

this life you hold so near will fade in time

R: We missed the point in living...

**C#m**

**E**

This life you hold so near

**B**

And so it goes no we won't let go

**F#**

and so it goes no no you won't let go

**C#m**

**E**

**B**

this life you hold so dear will fade in time...
