

Clara

Ataris

I saw you crying as I turned away.
Did I see your face like it wasn't there?
And I know I was wrong... yeah, I knew it all along, but I didn't care about you.
Clara where are you today?
Did you make the same mistakes that I made, a million times before I met you?
Did you go, did you run?
Did you think of your son?
Do you know you're not the only one that tried to make a piece of coal into a diamond?
Yeah.
