

First Elegy

The Ataris

G

Death starts like a dream

Em

So infinite, beautiful, and sad

D

You're there in the chapel

C

And the sun is fading to black

G

Its brilliance surrounds us

Em

With outstretched arms

D

So blinded by the sadness

C

You're feelings sliding so hard

Am

C

You grasp towards fluorescence

G

F

Em

Still slipping yet holding so tight

Am

C

Let's bask in the shadows

G

And welcome the night

Em

Welcome the night

D

Am

C

We survived, we are here

G

So welcome the night
