

# Ghost Of Last December

The Ataris

**D G Asus4 A/C#**  
1. We moved in many shapes and I'm nearly awake  
**D/F# G D/F# A/C# G**  
With the first of the day convinced last night went OK

**D A Em**  
R1: Hold on, hold on this candle's burned out  
**G D A**  
I won't let it go hold on, hold on  
**Em G**  
We want it so bad this one thing we can't have

2. We can't see doubt on the list of abandoned doubts  
When the truth came out I declined if nothing else

R1: Hold on...

**Bm-G-D-A-Bm-G-Em-G**

R1: Hold on...

**D A Em**  
R2: Hold on, hold on we moved in many shapes  
**G D A**  
And I'm nearly awake hold on, hold on  
**Em G D**  
We want it so bad this one thing we can't have
