

I Remember You

The Ataris

G C
Woke up to the sound of pouring rain,
G C
The wind would whisper and I'd think of you.
G C
And all the tears you cried, that called my name.
D C
And when you needed me I came through.

G C
I paint a picture of the days gone by,
G C
When love went blind and you would make me see.
G C
I'd stare a lifetime into your eyes.
D C
So that I knew that you were there for me,
D C
Time after time, you were there for me.

G D
Remember yesterday, walking hand in hand.
Em C
Love letters in the sand, I remember you.
G D
Through the sleepless nights, and every endless day,
Em C
I wanna hear you say, I remember you.

(**G D Em C**)

G C
We spend the summer with the top rolled down,
G C
Wished ever after would be like this.
G C
You said "I love you babe," without a sound.
D C
I said I'd give my life for just one kiss.
D C
I'd live for your smile, would die for your kiss.

G D
Remember yesterday, walking hand in hand.
Em C
Love letters in the sand, I remember you.
G D
Through the sleepless nights, and every endless day,
Em C
I wanna hear you say, I remember you.

D
We've had our share of hard times,
Em
But that's the price we paid.
D C
And through it all, we kept the promise that we made.

C (G D Em C)
I swear you'll never be lonely.

G **C**
Woke up to the sound of pouring rain,

G **C**
Washed away a dream of you.

G **C**
When nothing else could ever take you away,

D **C**
'Cause you'll always be my dream come true,

D **C**
Oh my darling, I love you!

G **D**
Remember yesterday, walking hand in hand.

Em **C**
Love letters in the sand, I remember you.

G **D**
Through the sleepless nights, and every endless day,

Em **C**
I wanna hear you say I remember,

C (G D Em C)
I remember you
