

New Years Day

The Ataris

Dm-F-Am-B-Gm (2x)

Dm F Am

1. You're a senior double major

B Gm

You got such big ideas

Dm F Am

We were searching for a savior

B Gm

To guide us through those restless years

F

R: If only I could steal you away

Am

From those paths we were led astray

Dm

I would take back all those things I said

B

That new year's day

F

If only I could make you see

Am

That all those dreams belonged to me

Dm

I'd take back all those things I said

B

That new year's day

Dm F Am

2. The October autumn twilight

B Gm

The chilling of our breath

Dm F Am

I had dreams I've found redemption

B Gm

And a past full of regret

Dm F Am

And the clouds on the horizon

B Gm

Look like a thousand paper cranes

Dm F

And I heard your voice

Am B Gm

But couldn't scream your name

R: If only I could steal you away...

Dm C

*: So let's drink to forgiveness

B

Let's drink for regret

B

Let's drink to the ones we've loved and lost

Dm

Let us never forget

C B

The mannequin shields her glowing eyes

B

We'll all too human, yeah

Dm-F-Am

We're always searching on

B Gm**Dm-F-Am--B--Gm**

Until that gift of isolation has been won

F

If only I could steal you away

Am

From those paths we were led astray

Dm

I would take back all those things I said

B

That new year's day

F

If only I could make you see

Am

That all those dreams belonged to me

Dm

A hearting built now way

B

you're new you're till meek

F

If only I could steal you away

Am

From those paths we were led astray

Dm

I would take back all those things I said

B**Dm-F-Am--B--Gm**

That new year's day that new year's day
