

Sleepy

The Ataris

It's frivolous, it's pointless, I'm waiting here in line.
I'd buy a cup of coffee but I just wanna kill some time.
I'm watching you, now, I'm staring at you.
I figure that you notice, but you really don't have a clue (a c
lue).
Time sure does fly when your just a lonely boy, waiting for som
eone to come along and ruin your fun.
Sitting all alone with that quiet smile on your face.
I pretend I'm not interested by staring off into space.
Why did I act like I didn't even care?
Now I wish that you could only be there.
A game of cat and mouse that curiosity has killed, just call it
pointless... call it what you will.
