1. Our last day of summer, 1979

Em **Em**
Gotta live it up one time before it's over

C **D**
We will make history tonight

G **Em**
Out at the drive-in

C **D**
All of our closest friends, they will be sneaking in

Em **Em**
You'll be spending the whole night

C **D**
Trying eveything you can to get that girl to notice you

Em **C** **D** **G** **D/F#**
R: "We Are the Champions" playing out on the radio station

Em **C** **D**
Everyone sing along with these anthems of our generation

Em **C** **D**
G **D/F#**
Cruisin' down Pacific Coast Highway Put the top down, crawl into the back seat

Em **C** **D**
Let's create anthems of our own tonight

G **Em**
2. Down at the roller rink,

C **D**
All the cool kids crowded around the air hockey table

Em **Em**
"Hey, my best friend likes you,"

C **D**
I hear you shout at me as you go skating by

R: "We Are the Champions" playing out on the radio station...

C **D**
*: Sneak out of your window, darlin'

G **Em**
Let's live like outlaws, honey

C **D**
We'll never look back

G **Em** **C** **D**
3. Climb out on this rooftop And stare at the city lights below us

B **Em** **C** **D**
This world belongs to us tonight The kids will keep ragin' on-
And they ain't never gonna stop
