

The Saddest Song

Ataris

B G F Eb

B G F
Only two more days, until your birthday

Eb
Yesterday was mine
You'll be turning five I know what it's like, growing up without
your father in your life

G F B Eb
So I pretend, I'm doing all I can

G F Eb
And I hope someday you'll find it in your heart

G F
To understand

B Eb
Why I'm not around

G F Eb
And forgive me for not being in your life

B
I remember waiting
For you to come

G
Remember waiting
For you to call

F Eb
Remember waiting there to find nothing at all
I remember waiting
For you to come
Remember waiting
For you to call
Waiting there to find nothing at all

B G
Maybe someday

F
you really get to know me

Eb
not just the letters read to you
I pray I get the chance
To make it up to you
We got a lot of catching up to do
