

Welcome The Night

Ataris

Ebm

1. Can we understand life and live it at the same time

B Bm

Where is this purpose you speak of?

Ebm

I'll be the background of this photograph

B

The soundtrack to this night and we are fading out before our eyes

Ebm

B

R: Close your eyes and welcome in the night
(2x)

Ebm

B

2. In heaven so wonderful why are we oh so afraid of dying young

Bm Ebm

We are dying young We are the patterns and the shapes

B

The patchwork from the window on this place we are alone, alone, alone

R: Close your eyes...

C#

D

Bm

Asm F#/B

*: This television set, it burns my eyes and there is no one here

B

C#

B

Asm

That can keep me warm tonight where is this purpose

C#

D

Where is the lie, the lie, the lie

Ebm--B

R: Close your eyes...

Asm--C#-D
