

# Whatever Lies Will Help You Rest

The Ataris

**Em-D-G-C-Em-D-C**

**Em** **D**  
1. While Kansas city sleeps  
**G** **C** **Em**  
cloaked in the twilight of this valley  
**D** **C**  
at this churches lying roadside from a tree  
**Em** **D** **G** **C** **Em**  
I keep driving to the most desolate seclusions  
**D** **C**  
my blackest secrets still imprison me

**Bm** **C** **Bm** **C**  
X: And why don't we say what we really feel?

**G** **Em**  
R: Whenever things are at their best...  
**D** **C**  
whatever lies will help you rest  
**G** **Em**  
whenever things are at their best...  
**D** **C**  
why do we wait for it to fall apart?

**Em**  
fall apart

2. Welcome to the after-taste  
of cheap wine and bad decisions  
my heart trembles in this morning prayer  
I can't chill my eyes from this inner most seductions  
but still somehow you found me there

X: And why...

R: Whenever things...

**Am** **C** **Bm**  
\*: It's my mistake to say I'm not the world safest bet  
**D** **Am** **C**  
I've never been too good at being good and its probably sad  
to say...

R: Whenever things... (2x)
