Nervous with good reason

```
from...
no no no no no no
no not not not no nah
no no
no no no no no no
no no not much not what watch
Nervous with good reason what
Nervous with no good reason
Nervous with no good reason
no no no no no no
How come you have another when you look any way any way?
(*tremolo effects vocals*)
you make your way and we know how powerful/wonderful/awful(?)
spitting on your house, spit on your house, spit on your friend
s and...
look/lock
How come you have another when you look any way any way?
(*backwards vocals*)
Why?
What we mean is the first thing that we dream
The blood
