

## Feel You Like A River

ATB

I can feel you across the miles in my body  
Almost physical, spiritual  
Like there was no separation  
Like you were right beside me, like a river

I can feel forever in my mind  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river, never dies

Remember the bridge we crossed out over the water  
With the sun streaming in through the leaves  
We can keep it alive  
Was just energy

I can feel forever in my mind  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river, never dies

And I feel, I feel, I feel you like a river  
And I feel, I feel, I feel you like a river

I can feel forever in my mind  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river, never dies

And I feel, I feel, I feel you like a river  
And I feel, I feel, I feel you like a river  
And I feel, I feel, I feel you like a river
