My Everything

ATB

You are
You are all I'll ever need
You're my everything

I want to thank you, for not giving up on me
I want to thank you, for believing what could be
You see it means so very much, to me
I want to thank you, for never letting go
I want to thank you, for waiting in the cold
I don't think you realise, how could you know

You are my everything to me, oh you are
You are all I'll ever need
You're My Everything

I want to tell you, but words fail me at this time
I want to tell you, that you're always on my mind
From the moment that I wake, to last thing at night
I want to show you, this love is deep inside
I want to show you, you see it in my eyes
Have you sensed the change in me, do you realise

You are my everything to me, oh you are
You are all I'll ever need
You're My Everything
You are my everything to me, oh you are
You are all I'll ever need
You're My Everything

You are
You are all I'll ever need
You're My Everything
