

# Renegade

ATB

Take care, 'cause I'm coming in  
I see my shadow and I don't know when  
I'm alive with you  
And it feels so true

We don't need shelter on this sky  
Bring back the storms that made us high  
I'm alive with you

Baby, I'm a renegade like you  
Baby, I'm hurting too  
Been around the world  
Now I'm running back to you

Baby, I'm a renegade like you  
Baby, I'm hurting too  
Been around the world  
Now I'm running back to you

Sweetheart, this world makes no sense  
No pot of gold, no innocence  
I'm alive with you

We don't need shelter on this sky  
Bring back the storms that made us high  
But we're alive

Baby, I'm a renegade like you  
Baby, I'm searching too  
Been around the world  
Now I'm running back to you

Baby, I'm a renegade like you  
Baby, I'm hurting too  
Been around the world  
Now I'm running back to you

Run with me, 'cause we won't live forever  
Run with me

Baby, I'm a renegade  
Baby, I'm a renegade  
Baby, I'm a renegade like you

Run with me, we'll take it all together  
Run with me, 'cause you're the one I need  
Run with me, 'cause we won't live forever  
Run with me

Baby, I'm a renegade like you  
Baby, I'm searching too  
Been around the world  
Now I'm running back to you

Baby, I'm a renegade like you  
Baby, I'm hurting too  
Been around the world

Now I'm running back to you

Run with me, 'cause we won't live forever  
Run with me

Baby, I'm a renegade  
Baby, I'm a renegade  
Baby, I'm a renegade like you
