

What About Us

ATB

As a matter of fact,
There`s no turning back
Though I can`t deny,
I still want you back
No confidence, just hide and seek
Your weapon`s blood, is security

What about promises,
And what about the days I`m missing
What about, what about, what about us
What about the time of our lives
What about the things that you had
What about, what about, what about us

I`m waiting for you ... (4x)

I`m waiting
It`s time to let go

I`m waiting for you
What about, what about, what about us ... (2x)

As a matter of fact,
There`s no turning back
Though I can`t deny,
I still want you back
No confidence, just hide and seek
Your weapon`s blood, is security
What about promises,
And what about the days I`m missing
What about, what about, what about us

I`m waiting for you ... (2x)
What about, what about, what about us ... (2x)
