What About Us

As a matter of fact, There`s no turning back Though I can`t deny, I still want you back No confidence, just hide and seek Your weapon`s blood, is security

What about promises, And what about the days I`m missing What about, what about, what about us What about the time of our lives What about the things that you had What about, what about, what about us

I'm waiting for you ... (4x)

I'm waiting It's time to let go

I'm waiting for you What about, what about, what about us \dots (2x)

As a matter of fact, There`s no turning back Though I can`t deny, I still want you back No confidence, just hide and seek Your weapon`s blood, is security What about promises, And what about the days I`m missing What about, what about, what about us
