Dance tonight, in this burning night
Queen of the night, star of my eyes
Wake me up with your gaze
Take my soul, take my heart, el amor es ciego

Yeah, it spreads when I see you, fuego (Fuego)
I feel an unbearable thirst, loco (Ayy)
I'll whisper to you until the sun rises, canto (Oh, woah)
Dance just for you tonight, follow, follow
I'm tickled, I'm going to cut off all the perfect lines, babe
I wrote SOS, tried hard, red sun, died, and woke up again
Got on and headed to Busan
I'm messed up (Messed up, messed up), non-stop, yeah (Non-stop, yeah)
After blocking out every inch of light, I leave everything to you

Matching steps under the moonlight, cha-cha-cha (Cha-cha-cha)
Feel my heart getting hot, pam-pam-pam

Dance tonight, in this burning night
Queen of the night, star of my eyes
Wake me up with your gaze
Take my soul, take my heart, el amor es ciego (Take my soul, take my heart,
el amor es ciego; Let's go)

Hey, day and night switch up with just one look in your eyes
Devil or angel in just one smile you show
I keep getting closer to you (Closer), I can't resist (I can't)
Blinded by fate, oh, I (Fix on)
Shake it, Malibu (Que Bonita), ferociously bibbidi-bobbidi-boo
I don't care what to say, oh, good motion secrets are rising
What was hot turns cold again, that's for sure, if you pull it, you eat it a
gain like ser un bombón
Things that change are love and youth, things that don't change are love and
