On the way home, absentmindedly
I fumble through my phone in my pocket
Rather than being the me smiling brightly in past photos
I'm here again, passing by your house

Why did I
A single word would've been enough
The words that rose up to the tip of my tongue
I'll borrow this song to tell them
You're my everything
If only I could turn back time
If only I could see you again
If only I could do that

I tried to pretend it was okay
But it hurt to be stabbed by the lingering feelings that emerged
Why can't I face myself after losing you even once
And why do I keep trying to run away

Why did I
A single word would've been enough
The words that rose up to the tip of my tongue
I'll borrow this song to tell them
You're my everything
If only I could turn back time
If only I could see you again
If only I could do that

Back then, I should've told you
That you're the reason for my entire life
I'm going to run to you

I won't
Forget you even for a second
I'll give this song to you
You're my everything
If only I could convey my heart
If only I could meet you again
You're my everything
