□□□ □□□ Oh Halazia
□□ □□□□ Oh Halazia

Be the light Oh Halazia
Oh no, everything has become barren
We all try but we lose emotion

Getting used to the feeling of losing

Getting paralyzed
In shackled freedom
A small Fantasy within me
Oh Halazia Halazia Halazia

I want to hear
The sound of love's breath
I want to know
If it's okay this way

Um, the little blue bird that's lost its voice
I can hear the whispers
The beginnings of a deep echo
The voice that will overturn the world

Hala Hala Hala Hala Halazia
Hala Hala Hala Hala Halazia
Hala Hala Hala Hala Halazia
Hala Hala Hala Hala Halazia

I can't feel what it's like to be alive
Even now, in this moment
Color this infinitely cold world
Be the light Oh Halazia

Please let me take real breaths
Let me dance a real dance
Let me dream a real dream and
Let me feel all these senses

Even love
Has been swallowed up
When waves are made
Here in this place
This movement that will last forever

Who are you?
: Uh, it's just me, myself and I
Who are you?
: Who are you reflected in the mirror?
Who are you?
: Behind this road lies expectations within expectations
Where do I stand among the next and future generations?

I want to hear
The sound of love's breath
I want to know
If it's okay this way

Um, the little blue bird that's lost its voice
I can hear the whispers
The beginnings of a deep echo
The voice that will overturn the world

Hala Hala Hala Hala Halazia
Hala Hala Hala Hala Halazia
Hala Hala Hala Hala Halazia
Hala Hala Hala Hala Halazia

I can't feel what it's like to be alive
Even now, in this moment

Color this infinitely cold world
Be the light Oh Halazia

The truth hidden in fear
Bloom beyond that
Distinctly beyond there

What have we been so silent for?
Who are we in the darkness for?
If one wish could be realized, would you grant me the light?
For hot passion instead of cold despair
I want to feel

Be the light Oh Halazia
(No more, keep control)
Halazia
(No more, keep your soul)
Halazia
(No more, keep control)
Halazia

Clear the darkness Oh Halazia
Be the light Oh Halazia
